

## *Integrated Bronze Image*

The Bronze Image Range of Crypt & Niche plaques incorporates either a standard or custom image into the background of the memorial. These images may range from religious icons through to building designs and will help create a unique memorial. A small selection of flat relief emblems such as service emblems may also be added to these plaques.

***Part Integrated Bronze Image***  
Shown as Companion with Date Tabs

***Fully Integrated Bronze Image***  
Shown as Unicast

***Fully Integrated Bronze Image***  
Shown as Companion  
incorporating 2 individual plaques

The Integrated Bronze Image range is available in a wide range of plaque sizes and shapes to suit your requirements.

Custom designs and shapes can be set up to create a unique memorial that will help your Crypt or Niche stand out from your competitors.

Fully Integrated Bronze Images are only available in an Antique finish whilst the Part Integrated option is available with a selection of colors from the PBR range for the side containing the inscription.

Please contact one of our friendly sales staff do discuss options.
