

Lawn Markers - Contemporary Range

The Contemporary Range of Lawn and Mausoleum Markers offers greater flexibility and allows you to design a memorial from the base up. The Contemporary Range also offers unlimited inscription to help alleviate any unwanted extra inscription charges.

A wide selection of Flat or Bas Relief Emblems can be added to the Contemporary Range in the location that best suits the marker. All computer fonts are available for use on Contemporary Range markers as the production process starts with a computer layout. These fonts can be then formatted to help suit your memorial. Popular font styles include the following:

Times New Roman “ ; 1 2 3 4

Cheltenham “ ; 1 2 3 4

Arial “ ; 1 2 3 4

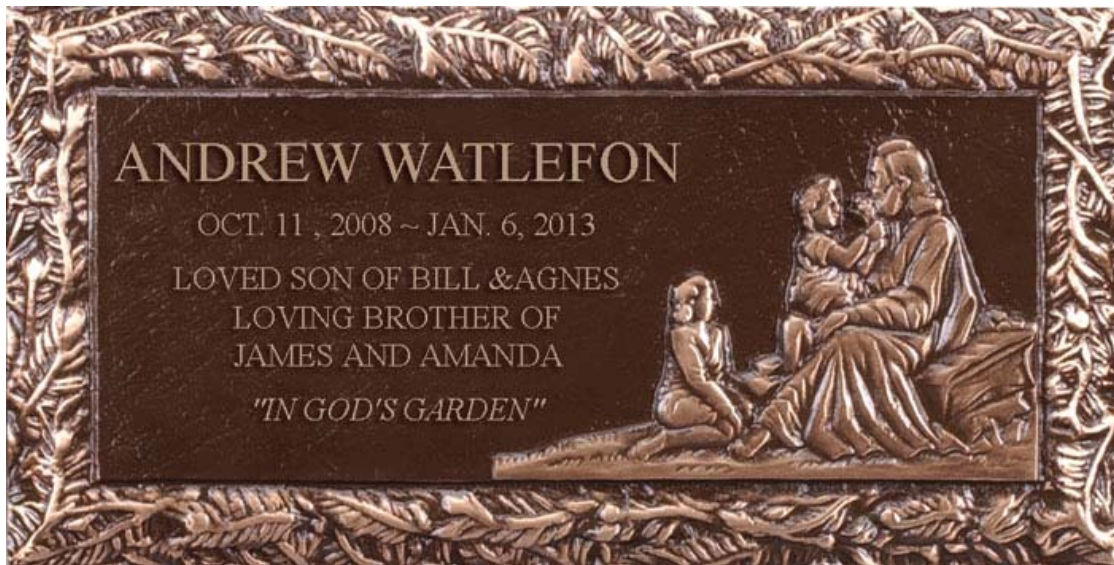

Helvetica “ ; 1 2 3 4

Century Schoolbook “ ; 1 2 3 4
